

Hello Burnet County!

Thank you for all of your generous support that Spicewood Community Library has received over the last 16 years.

The Mission of Spicewood Community Library is to provide free and equal access to a variety of materials and resources for personal enrichment and to be an advocate in the community for lifelong learning. The library's vision is to be the place in our community to learn, to discover, to educate, to explore, to enjoy, and to play an essential role in the intellectual and technology growth of our community.

Tis' the season to give back and here's to hoping you choose Spicewood Community Library as an organization to support this giving season. We can't wait to bring our community together to support children's literacy growth and enjoyment!

Our goal this Holiday Season is to be able to provide the youth of our community with new, exciting, and fun children's, juvenile and young adult books that we do not currently have in Spicewood Community Library's collection. We can do this with your help!

With your help we can get books into the hands of children and teens all across Burnet County. If this cause is something you would like to contribute to, you can simply purchase books from our Amazon wish list and they will be shipped directly to the library. We've handpicked many books that will be perfect for children of all ages. We've made sure to include different genres and formats, including graphic novels, Spanish, and classics.

To donate new children's, juvenile and young adult books simply [Click here to view our Amazon wish list](#) or scan the QR code below and amazon will have your donations shipped directly to Spicewood Community Library.

We appreciate your continued support in our mission to bring literacy growth to children and adults in Spicewood and the surrounding areas. If you have any questions please give us a call at (830) 693-7892 during normal business hours or find us on [Facebook](#).

Thank you,
Spicewood Community Library
