

Spicewood Community Library News

Message from the Board

The plans for a badly needed new building are finalized and the board is in the process of selecting a general contractor. Our next step is to raise the funds to build the new library. The library is free to the community and supported by you, our neighbors, through your memberships and donations. These donations and grants that are being pursued will allow us to raise the funds necessary to build the new library. This year your memberships and donations not only support the library's community programs and operational expenses; they will also go towards our much-needed new building. You should be receiving your membership renewal letter in the mail soon. On the back of the renewal letter we have provided some drawings of the building plan and elevations. More information is available on the library's website at [New Library Building Information](#). Please contact us if you have any questions.

JANUARY BOOK OF THE MONTH

Check it out today

An emotional, rousing novel inspired by the incredible true story of two giraffes who made headlines and won the hearts of Depression-era America.

"Few true friends have I known and two were giraffes..."

SCL Book club will meet on January 10th at 9:30 am to discuss this title

Garden News

Kale, swiss chard and lots of cilantro are currently being harvested. Broccoli and cauliflower plants are coming along nicely and should be ready to pick towards the end of December. You can now find the Community Garden's produce ice chest and donation box on the **Thrift Store porch**, usually on Tuesdays and/or Saturdays, depending on what is available in the garden from week to week.
